Double Your Donation!

Dear Patron,

TIME WAITS FOR NO MAN – OR DONOR! We are excited to offer our newest matching gift program that will run through the rest of 2020. **Five of our generous donors have stepped forward to MATCH EVERY GIFT DOLLAR-FOR-DOLLAR – UP TO \$12,000 – by the deadline of DECEMBER 31, 2020!**

Please take advantage of this great opportunity to DOUBLE your gift of support. Now more than ever we depend on our loyal donors to help sustain the operation of the Bremerton Symphony Association through these unusual times. **Your generosity is vital as we continue to provide our community with exceptional and creative symphonic music from our new Virtual Concert Hall.**

A reminder: your gift is an ideal charitable contribution that benefits your annual tax preparations. **However, if you miss the December deadline, or the matching gift total has already been reached, we still welcome and very much need your ongoing support.**

To donate, please return the enclosed donation card, **or visit our website: bremertonwestsoundsymphony.org and select DOUBLE YOUR DONATION.** Of course, you may also call to make your contribution: (360) 373-1722.

Thank you so much for your faithful and generous support as we celebrate our 78th Concert Season. Together, we will make our excellent virtual performances new and exciting – and your matching gift will help make this Concert season a success!

Sincerely,

Connie Lord, President
Bremerton Symphony Association
